SUBJECT

Representation of Sri K. Dasappa Asst. Comptroller for transfer to the Revenue Department as Assistant Commissioner.

Representation of Srs. Boriah Basavaraj & Sons re: transfer of Sri K. Dasappa Asst. Comptr. to Rev. deptt. App. F. III-2

General and Revenue Secretariat | File No. 2886/CB of 194 7

Serial No.

1) Kind reference is invited to go. no. FL 4081-4161-S&A 14-48-7 dated 4-11-1948.

The pay of the Asst commrs and Asst comptrs has been equal in all respects both before and after its revision in the g.o. quoted above. That pay before revision was 250-$\frac{40}{2}$-450 and now it is 300-25-500.

2) So disparity in grades is not the reason why a transfer to the Revenue Deptt is sought.

3) ch. Secy w/c) 10/11/48

The minute of the Chief Minr refers to not only the Accts. deptt, but to other depts as well. Whether there is any disparity in scales re. other depts may kindly be mentioned.

4) A. Secy w/c) 10/11/48

5) There is a disparity, but it is slight. Such a disparity exists in the neighbouring provinces also. This disparity is due to the importance of the work done in the various departments, the onerousness of the work and other like features. A complete uniformity is perhaps not possible as even the Pay Revision Committee agreed to continue the disparity. But it must also be said that the disparity is small.

6) ch. Secy w/c) 11.11.48

Rev. Minr / Chief Minr } This matter has to be pursued not now, however, but later. 11/11/48

Forwards the memorial of 5-5-49 addressed to the Diwan Submitted by Sri. K. Dasaptha B.A. LL.B., Gazetted Accounts probationer since absorbed as Asst. Comptroller, praying for transfer to the Revenue Dept.

(10) Sri. Dasaptha was appointed as Gazetted probationer in the Accounts Dept and he was recently absorbed as Assistant Comptroller. He has now represented that he has a training of 5 years in the Revenue Dept. and that he has an aptitude to serve in the Rev. Dept.; he has therefore requested for transfer to the Rev. Dept. in a vacancy caused by the resignation of Sri. Ramachandra Sinhaji (Asst. Commrs.) This question is to be dealt with in C.B.

Since the petition is addressed to the Diwan it is to go to him, it is for orders whether this may not pass through the Fin. Min. (Portfolio Min.) in the first instance.

CIRCULATION NOTE.

Subject:- Representation of Sri A. Seshu, Assistant Comptroller for transfer to the Revenue Department as Assistant Commissioner.

-oOo-

Sri A. Seshu was appointed as a Gazetted Probationer in the Accounts and Audit Department in the year 1946. After his probationary period, he is now working as an Assistant Comptroller to Government and Grade I pay of Rs.500/- per mensem in Grade - Rs.300-25-500.

He has submitted a representation that he is an Arts Graduate of the Mysore University and a Law Graduate of the Bombay University and has passed the departmental examinations and

1. Revenue Manual.
2. Accounts Manual.
3. Registration.
4. Municipal & Local Funds.

that he has worked in the Revenue Department in various capacities since 1942 till he was appointed as a Probationer in the Accounts Department. He states that he has to prosecute in the Accounts Department as the probationers taken in previous batches are all junior than himself and that his transfer to the Revenue Department does not give him any financial benefit but it would provide him an opportunity to serve in a Department for the work of which he has an aptitude.

In view of the above facts, Sri A. Seshu requests that he may be transferred to the Revenue Department and appointed as an Assistant Commissioner in the vacancy caused by the resignation of Sri Annasamudra Ramaji.

The Financial Secretary has, in this connection, noted as follows:-

> "I have seen the officer and am favourably impressed. I support his prayer because we owe to such better work in a Department in which he aspires to serve than in one in which he has to. I do not mean to convey by this anything about his work as an Assistant Comptroller which I have no means of judging".

The file has been perused by the Minister for Finance and Industries and the Minister for Revenue and Public Works and the Chief Minister has recorded in the file as follows:-

"Council meeting".

In this connection, it is submitted that there are no vacancies

in the cadre of Assistant Commissioners and as many as about twenty Assistant Commissioners are shown as supernumeraries in the cadre. Four more Probationary Assistant Commissioners who were appointed in October 1947 and two more Probationers viz. Sri.Jute N.Liyanaya and K.Kuplanaik who were transferred from the Accounts and the Excise Departments,respectively, have also to be found permanent places in the cadre of Assistant Commissioners.

OPINION OF COUNCIL.

234) Sri K. Dasappa who was taken as a Gazetted Probationer in the Accounts Deptt has since been confirmed as an Asst Comptroller. He is in a Deptt which will integrate to the centre from 1-4-50. Sris N. Siddayya, and G. Rupla Naik, Probationers in the Accounts and Excise Deptts respectively, have since been transferred to the Rev. Deptt. The Policy of appointing Prob. Asst Comrs. in large number has greatly affected the prospects of appointees promoted from the Subordinate grades and it has also partly contributed to the reversion of Asst Comrs as Amildar. Therefore there does not appear to be any more scope to transfer Sri Dasappa

(3) (a) Of the officers who are now working in the Accounts Deptt Sri S.P. Gunda Setty and Sri R. Sampath Kumaran will be reverting to the General line on 1-4-50. Sri Gunda Setty has already been posted and action is being taken separately. Note the posting of Sri Sampathkumaran.

(b) The Ex Comr has proposed the extension of Sri M. Basappa, Dt. Ex. Officer, Kolar from 1-4-50. A proposal has been separately suggested for this retention as the Deptt reverting

(c) It is likely that two Dy. Comrs ~~of Income-tax~~ and seven Asst. Comrs. who are now working in the Income tax Dept. will be appointed as Sales Tax officers. The only officer that will revert is Sri Y. Kantaraj Urs, Ex Asst. Comr doing duty as Dy. Comr of Income. 28) I have read the above and the recommendation for Ex. It is not advisable to swell the number of representatives in the Civil Service any more.

29) Sri. Girish, Rupla Naik & possibly one or two more have been allowed to be transferred to the Civil Service after initial recruitment to the Audit Dept. They have not only prevented these young men being Ex-trained, but have also made it a short cut to get into the

31) There has been no 'civil Service' as such for quite a long time. The term is now become a misnomer. In the long list of about 200 persons included in the so-called civil Service (Heads of Depts, Secretaries to govt, Deputy, Senior, and Asst Commrs) just about 16 persons have passed the civil Service examination and are 'civilians'. The others have not passed it and are not civilians as the term is here understood. Of these 16 about 10 are to retire within the next three years. At that time there will be about half a dozen civilians in a cadre of about 200 persons. It will be more than ever a misnomer to call them all civilians.

32) Now, how are the overwhelming majority of these persons (over 190 in number roughly at the end of 3 years out of about 200) recruited. They come into this "civilians" list from all Depts. They come from the Sub-Regrs, Coop. Dept, Revenue, Secretariat and Accounts. That being so, I do not see why Sri Dasappa should not be taken as an asst Commr. He has as much right to keep someone else out of that list, as that someone else has to keep Mr Dasappa out. As regards the money being a waste that was spent on his training in the Accounts Dept, his

willing Service in the Rev Dept would be more than equal to it; for his unwilling continuance in the A/c's Dept would cause ~~to~~ loss to govt. in efficiency throughout the whole course of his Service. His accounts training will stand him in good stead in the Rev Dept.

P. O. BOX No. 24
MYSORE

Date November 2nd, 1948.

The Chief Minister in Mysore

10 NOV. 1948

M
3/11/48.

Honoured Sir,

Chief Secy & Financial see

We beg leave to bring the following few lines to your honour's kind consideration and early favourable orders.

Here are many applications coming in for transfer from other Departments to Rev Dept that is because amongst other the Salary in the Rev Dept is higher than in other Development Departments we have to consider equalising them as far as possible. Practicable proposals in this behalf have to be made. Draft Proposals may be put up for consideration KCR 4/11

Our son-in-law Sri K. Dasappa, B.A., LL.B., who was working in the Revenue Commissioner's Office had applied for nomination as Assistant Commissioner. But the Government appointed him as Assistant Comptroller without considering his qualifications and service in the Revenue Department. He was not willing to accept the said appointment and had decided to set up practice as an Advocate. But we, as loyal subjects of His Highness, advised him to obey the orders of His Highness's Government first, pursuaded him to accept the job and then to urge for a change to the Revenue Department.

We may be permitted to bring to your honour's notice that Sri K. Dasappa was a confirmed official of the Revenue Department and had passed all the Departmental tests even before he was appointed as Gazetted Accounts Probationer. He had put in more than five years of service in the Department and had worked in various capacities in different branches of the Department, viz: Magistrate's Court,

CB 2920 9.11.48

P.T.O.

Deputy Commissioner's Office and Revenue Commissioner's Office.

In view of his high qualifications and long service in the Revenue Department it was just and fair to have appointed him as Probationary Assistant Commissioner. The previous Government failed to consider this aspect of the question at the time of appointing him as Gazetted Accounts Probationer, and we are at a loss to know as to why this official, who was fully qualified for appointment as Assistant Commissioner was changed to the Accounts Department, although the pay of the Assistant Commissioner and that of the Assistant Comptroller was same, viz: Rs.250-40/2-450.

We learn that there are instances wherein probationers of one department are being changed to other departments. In this connection, we may mention the change of Sri T.V.Dasappa from Co-operative Probationership to Revenue on the ground that he had put in more years of service in the Revenue Department. We may also mention the change of one Narayan, a Probationer in the Accounts Department to the Revenue Department.

We learn that the place of a Probationary Assistant Commissioner caused by the demise of Sri Muniswamy is vacant. In the circumstances we pray that the benign Government may graciously be pleased to appoint him in the above vacancy and waive the period of training as he has already put in more than 7 years of service. We may here mention that Government have been pleased to waive the training of Sri Lingiah, Probationary Assistant Commissioner, who was taken from the Revenue Department and the same concession may be extended to him also.

Our prayer is simple in the sense that there is no question of paying any higher emoluments. It is a mere change of lien from Accounts to Revenue Department, pay the same salary but allow him to work in a Department in which he has put in more years of service and for which he has an aptitude. We hope that your honour will appreciate the principle involved in urging for a change and do the justice in this case, for which act of kindness and generosity, we shall remain grateful.

Yours faithfully,

Sir,

I have the honour to forward, herewith, for such orders as Government may deem necessary, the memorial dated 5-5-1949 submitted by Sri.K.Dasappa, B.A., LL.B., (Gazetted Accounts Probationer appointed in G.O.No.593-602/CB 61-46-1 dated 6-8-1946 and since absorbed as Assistant Comptroller in this Department) praying for a transfer to the Revenue Department on grounds of general aptitude for work in that department.

The Comptroller
to the Government of Mysore,
Bangalore.

Honoured Sir,

I beg to submit this representation to your kind consideration and early favourable orders.

I am an Arts Graduate of the Mysore University and a Law Graduate of the Bombay University and - have passed the following Departmental Examinations:

1. Revenue Higher
2. Accounts Higher
3. Registration
4. Municipal & Local Boards Examination.

I am a native of Nagamangala Taluk, Mandya District and belong to the Vokkaligar Community. I entered the Revenue Department in the year 1941 and worked in the various branches, such as, the - - Magistrate's Court, the Deputy Commissioner's Office and the Revenue Commissioner's Office of that Department. I was a permanent Official of the Revenue Department. Since my qualifications deserved a more responsible and executive job in the Gazetted Rank, I applied for nomination to the Mysore Civil Service. But without considering my qualifications and previous service in the Revenue Department, I was appointed as a Gazetted Probationer in the - - Accounts and Audit Department. Four Probationers

P.T.O.

were taken to this Department in the year 1944 and seven in the year 1946. All those Probationers who are above me are younger than myself and - - ~~absolutely~~ absolutely I have no prospects in that Department. Added to this disadvantage of placing me below - these young Officers, I have been asked to pass Examinations prescribed for this Department, although I had passed all the Examinations prescribed for the Revenue Department. With all these disadvantages and against my will I accepted the job and honoured the decision of the Government of His Highness the Maharaja of Mysore with the fond hope of getting a change to the Revenue Department. Ever since I am urging for transfer to the Revenue Department. Recently Government while giving change to others (one of them being my colleague in the Accounts - Department) have not considered the representation on my behalf.

I may be permitted to state that while the case of Officials who had never worked in the - Revenue Department was considered favourably it is not clear how my case was ignored. I beg your permission to make it clear that I am not grudging their transfer, but I only wish to bring to your kind notice the injustice done to me. I had worked in the Revenue Department for more than 5 years and passed all the necessary Departmental Tests even - before I was taken as a Probationer to the Accounts Department. In this connection I may be permitted to bring to your honours notice that I was the only Law Graduate of my community to enter service on a low pay in the Revenue Department. It was because of my aptitude for work in that Department.

I hope your honour will not mistake my frank-

my frankness if I say that there is no use of forcing me to serve that Department for which I have no aptitude. While Government have transferred to the Revenue Department Officers who had never worked in that Department, there is absolutely no justification in denying the same concession to one who is fully qualified and had worked sincerely in that Department for over five years. This transfer does not give me any financial benefit. But it will only provide me an opportunity to serve a Department for which I have been trained and for which I have an aptitude. My birth, and my long association with the Rural Folk prompt me to work for their welfare and to improve their lot. The Revenue Department should therefore be the proper field of work for those genuine and sincere workers, who know the rural folk, their conditions and their needs. I have put in about 8 years of service and have worked in the Revenue and Accounts Department to the best of my ability and to the entire satisfaction of my superiors.

In view of the facts brought to your kind notice in the above paras, it is needless for me to submit once again that my case for a transfer to the Revenue Department needs your very sympathetic consideration. I learn that there is a vacancy of an Assistant Commissioner caused by the resignation of Sri. Ramachandra Sinhaji and I most respectfully pray that I may kindly be transferred to the Revenue Department in that vacancy and thus give me an opportunity to serve the Government of His Highness the Maharaja of Mysore.

I remain,
Sir,
Yours Obediently,

K. Dasappa.
Assistant Comptroller.
